LARGE ENGINE INDUSTRY

WHEN YOU INSIST ON COMPETITIVENESS
AND DEPENDABLE QUALITY –

ITA Nordic is the way to go

We meet challenges head-on, solving each problem with professional attitude and truly versatile know-how. In addition to making cost-efficient high quality products, we also want to make our customers' lives a bit easier through great customer service: we emphasize solid communications every step of the way and come fully stocked with a flexible mindset. We meet deadlines and make sure that the quality of the end product is excellent – regardless of production volume. **We want to be the partner that you value more and more.**

QUALITY WITH US

ITA's quality system is certified by DNV. The quality system fulfills the requirements of ISO 9001:2008 and the environmental system fulfills the requirements of ISO 14001:2004. Both certificates have been updated in February 2013.

Achilles Power & Tech (Supplier # 159239)
